Family tradition since 1929

Müller stands for innovation and quality

Hugo Müller founded the company "Omega-Müller" in 1929. Rooted in the industrial town of Schwenningen, Baden-Württemberg, the company began its journey with loudspeakers, headphones, and radio assembly kits.

In 1978, Hugo Müller made the transition to software-based products: the first time switch capable of being programmed for a year was introduced to the market. Its success was also virtually pre-programmed - the new product was exceptionally well received.

Today, in addition to intelligent time and light controls, our portfolio also includes room climate controllers, sensors and devices for building automation.

Our goal for the future is to continuously optimize and expand the range of our standard products and to provide completely individual solutions for OEM products.

All **■ müller** products are manufactured
in our company in Baden-Württemberg -
100% Made in Germany

Stronger together

Your partner for OEM

Hugo Müller is your partner whenever you need a customized electro-technical product. We manage the transition from your wishes and vague specifications to well-designed serial products.

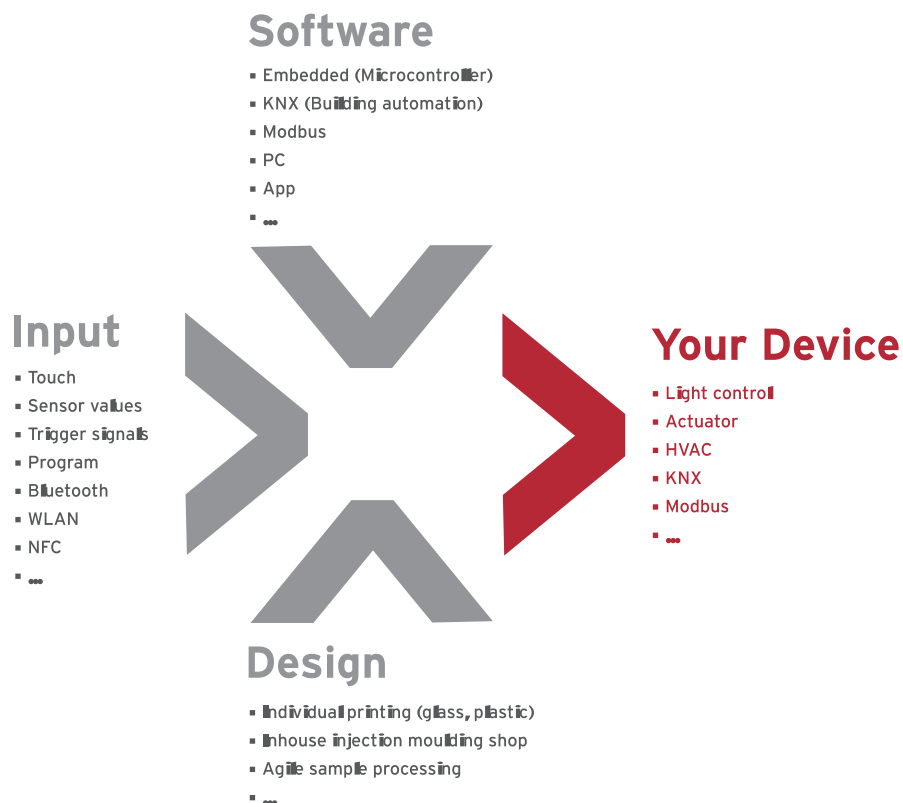

We turn your requirements into products ready for sale and offer all relevant tasks: from hardware and software development to prototypes and serial production.

All around the world, we make our partner highly satisfied with our OEM products and we want to continue to use our expertise to meet your requirements and fulfil your wishes.

For us, being your OEM partner means accepting full responsibility and to act accordingly. We want to understand the customer's point of view, by knowing the market requirements, followed by generating ideas and innovations, and finally developing, designing, and manufacturing products. We want to work hand in hand with you to achieve the best possible result.

We aim for long-term and personal partnerships with our customers. You can rely on high-quality results, an open approach, the highest quality "Made in Germany" and comprehensive service.

If you are looking for customized OEM solutions, you have come to the right partner.

KNX multi sensors ceiling

 <p>CO₂</p>	<p>■ müller</p> <p>TS 77.11 knx 360° detection range (ceiling mounting)</p> <p>Available from Q3/2026</p>	<ul style="list-style-type: none"> ■ Motion detector with PIR technology ■ Light and temperature sensor / light and room temperature controller ■ 3 analog outputs (0-10V) / 4 binary and analog outputs ■ 1 input for an external temperature sensor ■ KNX Secure
 <p>CO₂</p>	<p>■ müller</p> <p>GS 87.11 knx 360° detection range (ceiling mounting)</p> <p>Available from Q3/2026</p>	<ul style="list-style-type: none"> ■ Motion detector with PIR technology ■ CO₂-, VOC, light, temperature and humidity sensor / light and air quality controller ■ 3 analog outputs (0-10V) / 4 binary and analog outputs ■ 1 input for an external temperature sensor ■ KNX Secure

KNX outdoor sensors

	<p>■ müller</p> <p>LS 20.00 knx Light / brightness sensor</p> <p>LS 30.00 knx Light / brightness & temperature sensor</p>	<ul style="list-style-type: none"> ■ Wall mounting (IP54) ■ Lighting control / Lighting and temperature control ■ Twilight switch with daily program ■ Daily time switch ■ Compact housing
--	--	---

KNX audio interface

	<p>■ müller AS 10.00 knx</p> <p>Buzzer</p>	<ul style="list-style-type: none"> ■ Wall mounting / fits in common switch range [55 mm] / outdoor installation ■ Compact housing ■ 3 volume levels ■ Adjustable sequence
	<p>■ müller AS 26.01 knx AS 26.11 knx</p> <p>Melody interface without loudspeaker Melody interface with loudspeaker (LA 06.10)</p>	<ul style="list-style-type: none"> ■ Flush-mounted fitting ■ 12 melodies selectable ■ Adjustable sound level ■ External loudspeaker ■ 1 binary input
	<p>■ müller AS 36.03 knx AS 36.13 knx</p> <p>Audio interface without loudspeaker Audio interface with loudspeaker (LA 06.10)</p>	<ul style="list-style-type: none"> ■ Flush-mounted fitting ■ 6 individual MP3-files, 12 pre-defined melodies ■ Adjustable sound level ■ External loudspeaker ■ 3 binary inputs

Further KNX-TP products

	<p>■ müller EA 36.32 knx</p> <p>Universal interface with 3 inputs, 2 outputs & integrated room temperature controller</p>	<ul style="list-style-type: none"> ■ Universal interface for building automation KNX ■ Flush-mounted fitting ■ 3 configurable inputs ■ 2 binary outputs (LED / open collector) ■ Integrated room temperature controller ■ External temperature sensor available
	<p>■ müller SC 98.40 knx</p> <p>Digital yearly time switch 4 channels</p>	<ul style="list-style-type: none"> ■ Yearly time switch for building automation KNX ■ DIN-rail mounting 70 mm ■ 4 channels / 300 memory locations ■ PC-programmable ■ Data key function ■ DCF / GPS function

KNX-RF switching actuators

	<p>■ paladin 683 730 rfs</p> <p>Switching actuator 1 channel</p>	<ul style="list-style-type: none"> ■ Switching actuator 1 channel ■ Flush-mounted fitting ■ Switching capacity: 16 A / 250 V ■ Functions: switch, timer, staircase lighting timer ■ KNX-RF 1.R S-Mode
	<p>■ paladin 683 732 rfs</p> <p>Switching actuator / shutter actuator 2 channels</p>	<ul style="list-style-type: none"> ■ Switching actuator 2 channel / shutter actuator ■ Flush-mounted fitting ■ Switching capacity: 16 A / 250 V ■ Functions: shutter- / blind control ■ External pushbutton input ■ KNX-RF 1.R S-Mode

KNX-RF dimmers

	<p>■ paladin 683 830 rfs</p> <p>for RLC / LED loads</p>	<ul style="list-style-type: none"> ■ RLC / LED dimmer ■ Flush-mounted fitting ■ Load 4 - 250 W ■ Leading- / trailing edge dimming ■ Additional connection for wired push-buttons ■ KNX-RF 1.R S-Mode
	<p>■ paladin 683 831 rfs</p> <p>for LED-strips</p>	<ul style="list-style-type: none"> ■ LED-strip dimmer ■ Flush-mounted fitting ■ LED strips up to 8 A ■ LED strips 12 - 48 V DC ■ Pulse width modulation (PWM) ■ KNX-RF 1.R S-Mode
	<p>■ paladin 683 834 rfs</p> <p>for DALI ballasts</p>	<ul style="list-style-type: none"> ■ DALI dimmer / gateway ■ Flush-mounted fitting ■ 1 channel / 1 group ■ Up to 64 drivers can be controlled ■ Broadcasting communication ■ KNX-RF 1.R S-Mode

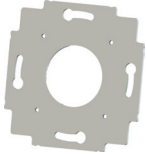

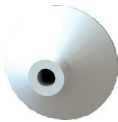

KNX-RF sensors and transmitters

	<p>■ paladin 683 010 rfs</p> <p>Pushbutton interface</p>	<ul style="list-style-type: none"> ■ Wireless pushbutton interface ■ Build-in temperature sensor ■ Flush-mounted fitting ■ Input for max. 2 wired pushbuttons ■ Battery operated (battery lifetime approx. 8 years) ■ KNX-RF 1.R S-Mode
	<p>■ paladin 686 312 rfs</p> <p>Multi sensor</p>	<ul style="list-style-type: none"> ■ Wireless sensor ■ Temperature, light and humidity ■ Wall mounting ■ Transmission of sensor values via RF ■ Battery operated (battery lifetime approx. 8 years) ■ KNX-RF 1.R S-Mode
	<p>■ paladin 686 410 rfs</p> <p>Door- / window contact sensor</p>	<ul style="list-style-type: none"> ■ Door- / window contact sensor ■ Wall mounting ■ Transmission of open / close status via RF ■ Battery operated (battery lifetime approx. 12 years) ■ KNX-RF 1.R S-Mode

Accessories

	<p>■ müller LA 06.10</p> <p>Loudspeaker mini</p>	<ul style="list-style-type: none"> ■ Mini Loudspeaker for flush-mounting ■ Nominal Impedance: 8 ohm ■ Suitable for: AS 26.01 knx and AS 36.03 knx
	<p>■ müller LA 16.10</p> <p>Loudspeaker</p>	<ul style="list-style-type: none"> ■ Loudspeaker for flush-mounting ■ Nominal Impedance: 6 ohm ■ Suitable for: AS 26.01 knx and AS 36.03 knx
	<p>■ müller TF 06</p> <p>sensor / probe 4 m</p> <p>TF 16</p> <p>sensor / probe 20 cm</p>	<ul style="list-style-type: none"> ■ External temperature sensor ■ Measuring range: -15...+70°C ■ Cable length: 4 m / 20 cm ■ Suitable for: EA 36.32 knx, TS 3x.10 knx, TS 3x.11 knx, GS 3x.10 knx, GS 3x.11 knx, GS 4x.10 knx, GS 4x.11 knx
	<p>■ paladin 683 520 rfs S</p> <p>Gateway KNX RF / TP</p>	<ul style="list-style-type: none"> ■ Gateway KNX RF / TP ■ Flush-mounted fitting ■ RF-repeater function ■ KNX-RF 1.R S-Mode ■ KNX Secure

Mounting accessories

	<p>Mounting plate for wall box suitable for 55 x 55 mm switch design products</p> <p>Order number 200.001</p>		<p>Mounting angle for outdoor installation IP X4 suitable for 55 x 55 mm wall mounting products</p> <p>Order number 200.002</p>
	<p>Vacuum cup suitable for 55 x 55 mm wall mounting products</p> <p>Order number 200.003</p>		<p>Back part for surface wiring suitable for 80 x 80 mm wall mounting products</p> <p>Order number 200.004</p>
